

Community Nurse, Full Time, Ongoing

Are you an experienced Registered Nurse looking for a role that offers professional variety, meaningful community connection and the opportunity to make a genuine difference?

Omeo District Health is seeking a Community Nurse to provide person-centred, comprehensive nursing care across community and home-based care, chronic disease and early intervention services, post-acute and transition care, residential aged care, and medical centre and urgent care support.

This diverse role has a strong focus on clinical assessment, care planning, care coordination, early intervention and chronic disease management. You will work in partnership with consumers, families, carers and multidisciplinary health professionals to support people to remain independent, age well and stay safely at home wherever possible.

Working across a range of clinical environments, including facility-based clinics, in-home care and community outreach settings, you will have the opportunity to apply your nursing skills broadly while supporting continuity of care for people across our local communities.

Why Join Our Team

Omeo District Health is a publicly funded, small rural health service located in East Gippsland's high country. This spectacular Alpine region of Victoria is a lifestyle destination with Dinner Plain, Mt Hotham and Falls Creek Alpine snow resorts a short drive away. A great place to enjoy many outdoor pursuits.

Omeo District Health (ODH) provides attractive conditions including generous salary packaging.
