## Congratulations to ODH Youth Worker and 'The Hangout' crew

Australia Day awards in Omeo recognise the efforts of young people in the high country.

The Hangout, a local youth group, received the Community Group award for the planning and execution of the Youth Masquerade ball. Members awarded were: Chantelle Adams, Ryli Ayton, Matilda Sheean, Katarin Weaver and Patrick Weaver.

The Youth led event held in Omeo on the 19th of November 2022 was the first of its kind in the region. The Youth Masquerade event entailed months of planning and skill building. In the lead up to the event the young people participated in a series of workshops including event management, sound recording and DJ skills.

The magical night consisted of a red carpet, a mocktail bar, fairy light chandelier, a chill out space and photo booth. The young people also debuted their new DJ skills to a well-received and engaged audience.

Thanks to Bairnsdale FReeZa; Gippsland East LLEN; East Gippsland Shire Council; DJ Beatrice and HeadSpace, Bairnsdale who offered their support in preparation and running of the event. Omeo District Health would also like to acknowledge the contribution of the East Gippsland Community Foundation for funding the event and VicHealth for compensating the young people for their hard work.
